Thank you! The "1st Result" is a little easier to read, but both do the trick. What I'm looking for in the compare docs is whether any substantive changes have been made to the document other than in Paragraph 11. Both your 1st Result and 2nd Result show me what I need to know. 😊

Erika:

I'm not sure that running them in that order is correct...?? Please take a look at both versions and let me know which one you expected to be correct.
